

9 May 2017

Dear parent/carer

The exam period is going well for our young people and I sincerely hope that they will all achieve well in their exams. I would like to remind you that all young people are welcome to study in school and staff will be available to support them with any queries. Hot Housing will also run for S5 and I would encourage your child to attend, where appropriate.

As you are aware, all S4 and S5 are currently on Study Leave to support them with the preparation for their exams. There has been an error in relation to the date of return for all pupils. Please note that all pupils must return to school on **Monday 5th June** to start their new timetable.

Many thanks for your support and cooperation.

Your sincerely

L McPhillips

Head Teacher
