

Welcome!

Hello from Castlemilk High School

We are really looking forward to welcoming your child to Castlemilk High School to start the next part of their school journey.

The transition from primary to secondary school is an exciting time and we know everyone will have lots of questions. This information sheet is the first part of answering some of those questions to help you and your child get ready.

Mr Munro (Principal Teacher of Inclusion) and Mrs McFadzean (Depute Head Teacher) enjoyed their visit to the P7 classes last term and are now looking forward to meeting the pupils again very soon.

Castlemilk High School will announce more details for P7 parents and carers before your child's two day visit in May.

In the meantime if you have any questions please contact us at the school and we will be happy to help.

Two - Day Visit

All pupils starting S1 at Castlemilk High School in August will have a two day visit on:

Wednesday the 25th
&
Thursday the 26th of May 2022

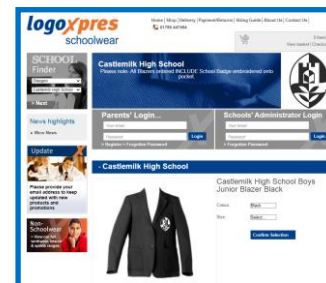

Pupils should wear their primary uniform for the visit. We will be in contact with you at a later date with all the information that you will need, including the start and finish times for the two days.

Uniform

Our school uniform policy can be found on our website in the [Our School > Policies](#) section.

You can buy uniform from any shop that you choose, with ties and badges (for blazers) available at the school office. There is also a company who supply Castlemilk High uniform, Logo Express.
