

How to Download Microsoft Teams

1. Open the self-service app on your iPad by clicking on it.

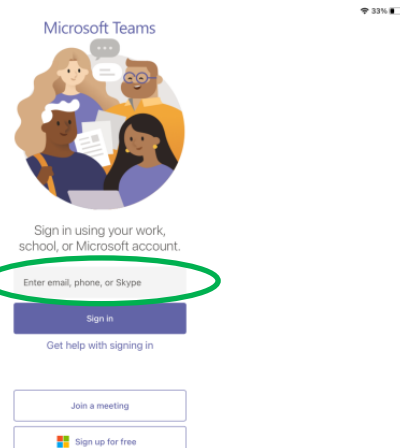

2. Look through the different apps until you find MS Teams and press install.

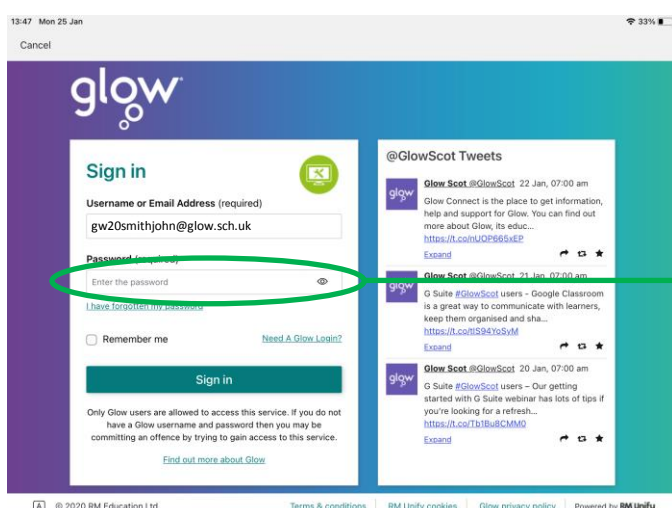

How to Sign in to Microsoft Teams

3. After you have installed MS Teams return to your home screen and open the app by clicking on it.

4. On this screen, enter your Glow email address e.g. gw20smithjohn@glow.sch.uk

5. Now enter your Glow password and press sign in.

You have now successfully signed into MS Teams

Through our **values** of ambition, respect, responsibility and resilience, we nurture our community of tomorrow
