

Glasgow City Council are introducing an online payment solution called **ParentPay** into all primary and secondary schools across the city. **ParentPay** will be used to pay for all school trips, concert tickets, uniforms, meals etc and will enable us to remove all cash and cheques from schools. This also includes a new cashless catering solution although the option to pay for meals online will not be available immediately. Further details on the catering solution will be issued at a later date.

Our school will be going live with ParentPay on 14 February **2022**. Details of what ParentPay can offer both you and our school are listed below.
